Permit Instructions

1. His/her responsibility for complying with all air pollution laws, regulations and ordinances (such as the North Carolina "Control and Prohibition of Open Burning" Regulation as codified in 15 NCAD 2D .0520) which prohibits the open burning of materials without first obtaining a permit unless one of the expectations listed in the regulation applies.

2. His/her responsibility for complying with all other State and Federal Forest fire laws (such as notifying adjoining landowners, keeping a competent watch over the fires, etc.)

3. His/her responsibility for any damage the fire may cause to other parties or their property. Good judgment should be used when burning even though a permit has been obtained.

NOTE: The proper time to burn is: (1) following a rain when the wind is calm; (2) after grasses are green and hardwood leaves are mature.

Pursuant to G. S. 113-60.29, conviction of violating the Open Fires Law or this permit is a misdemeanor carrying a fine of not more than fifty dollars ($50.00), or imprisonment for not more than 30 days, or both. These penalties sanctioned under G. S. 143-215.114 of Article 21B.

I understand that this permit may be cancelled at the discretion of the Fire Prevention Inspector for any deviation from the conditions of the approval; I must take reasonable steps to extinguish or control the fire or reimburse the Department for expenses incurred therefore on my behalf.
