

**Regulations for Resident Placed Trash Truck**

The following regulations are to be followed when a trash truck is placed at a residence.

1. A thirty-five dollar (\$35.00) rental fee is required **before** the trash truck will be delivered.
2. Each load must contain either trash material or yard debris; it must be one or the other. These items may **not** be mixed. Yard waste consists of limbs, leaves, grass clippings and shrubbery trimmings.
3. No appliances, tires, oils, chemicals, acid batteries, building materials or corrugated cardboard are to be placed on trash truck.
4. To have an appliance picked up, a fifteen-dollar (\$15.00) charge is required to be paid per appliance prior to pick up.

**I have read and understand these regulations and will abide by them.**
