

## A Dash-More Awesome, Employees that Care 2021 Town of Fuquay-Varina Employee Litter Sweep

Over 100 Town Employees came out for the 2021 TOFV Employee Litter Sweep on May 14, 2021. Over 8 miles of road stretch and 2 miles of greenway at the Carroll Howard Johnson Env. Education Park were "swept" for litter.

Thanks to our Parks, Recreation and Cultural Resources Department, those that volunteered at Carroll Howard got out easy with not even one full bag of trash hauled out! On our roads, however, over four thousand pieces of trash (95 trash bags) were picked up by town staff. Cigarette butts (over 1,500) and beverage bottles (over 700) were reported as the most common trash items.

Litter Sweep events are a great way to help keep Fuquay-Varina clean as well as to get outside and have fun with others. If you are interested in an event for your business or organization, the Town can help you out! Contact Jennifer Mitchell at [jmitchell@fuquay-varina.org](mailto:jmitchell@fuquay-varina.org) or 919-753-1004 for details.
