Mission

To provide diverse recreational opportunities and facilities that enhance social development and community well-being through welcoming parks, public spaces, facilities, organized activities, cultural resources, and special events.

Vision

Participation in youth sports provides children with an opportunity to gain many valuable life skills and develop an appreciation for physical fitness, all of which can lead to a lifetime of healthy activity.

This can only occur, though, when organized sports programs are designed and administered to ensure a safe, positive, fair and fun environment for everyone.

Philosophy

- Provide a safe and positive environment for youth to participate in sports programs.
- Provide each child with the opportunity to play regardless of skill level.
- Teach participants the skills and fundamentals of the sport they are participating in.
- Encourage sportsmanship, team-play and leadership
- Winning is *not* the ultimate goal; giving your best effort and displaying sportsmanship no matter the outcome is! Losing is not failure, it's a chance to learn and develop your skills and character.

I. General Information

- a. The Town of Fuquay-Varina's T-ball league administered through the Parks, Recreation and Cultural Resources Department will focus on providing a recreational, fun, safe option for players to learn and enjoy the game of t-ball. Good sportsmanship and skill development should be the main goal of all coaches. Winning is secondary to having fun and learning the game.
- b. All rule interpretations will be administered by the Fuquay-Varina Parks, Recreation & Cultural Resources Department (FVPRCRD).
- c. All team activities must be supervised by an approved head or assistant coach.
- d. No unsanctioned activities are permitted. Unsanctioned activities include practices held away from town owned/leased property, practices/activities held outside of the team's schedule provided by FVPRCRD.
- e. All who wish to participate in Fuquay-Varina Parks, Recreation and Cultural Resources Athletic Programs must register and pay the registration fee prior to being assigned a team and participating in the program.
- f.

II. Coaches and Assistant Coaches

- a. No team shall have more than five (5) coaches. They are designated as Head Coach, 3 Assistant Coaches, 1 scorekeeper.
- b. Head coach appointments are to be made by FVPRCRD for one (1) season. All coaches will be evaluated following each season. This evaluation will be used to determine whether or not he/she will be invited back to represent a team in the future.
- c. All coaches are required to submit a formal application and background check. The background checks are subject to approval of the Parks, Recreation & Cultural Resources Department.
- d. All Assistant Coaches may be selected by the Head Coach after the teams have been determined, pending approval of the FVPRCRD. Assistant Coaches must submit a formal application and background check.
- e. All coaches must understand and agree to carry out the duties, responsibilities, policies, and philosophies as established by the Town of Fuquay-Varina Parks, Recreation & Cultural Resources Department. All coaches must be approved by the Recreation Department. Any coach not carrying out these duties and responsibilities will be subject to dismissal.
- f. Head Coaches are required to hold a preseason parent meeting to discuss rules, conduct, responsibilities, etc.
- g. Coaches should always keep in mind they are setting examples in sportsmanship and fair play and should always conduct themselves accordingly.
- h. Only the Head Coach and their Assistants will be allowed in the dugout during the playing of an official game. Parents must sit in the bleachers and stay out of the dugout area unless they receive permission from the head coach to enter.
- i. Coaches are responsible for reporting players who have dropped from their team. If a spot opens FVPRCRD will fill the opening with the next player available on the wait list. If no players are on the waitlist the roster spot will remain open.
- j. All coaches must wear their FVPRCRD issued coaches shirts and wristbands to all team activities. No coach will be permitted in the dugout that is not in uniform.
- k. Coaches are responsible for leaving the dugout area clean after their game. Please pick up any trash, equipment or items before leaving.
- l. Coaches must remain inside the dugout while their team is on defense unless local league rules allow for coaches on the field during play.

III. Communication

- a. **24 HOUR RULE:** Parents sometimes disagree with a coach's decision or coaching style, especially when it involves their child. Parents must understand that the

coach does not represent a player, but the entire team and must make decisions from the team perspective first and foremost. For parents, it is important to separate their child's sports development from game emotions. For this reason, we have adopted the "24 HOUR RULE," which simply states that the coach will not discuss game situations until at least 24 hours after the game. This rule helps to move the discussion away from the presence of the players and allows all parties to have time to put things in perspective and cool off if necessary. This rule also applies to coaches and parents contacting the recreation department.
