

Hire an Officer for your Event

The Town of Fuquay-Varina hosts a number of events annually and all gatherings such as concerts, parades, walks, and festivals that take place on public property or on public streets must receive authorization through the Town.

Because each of these events requires advanced planning to ensure a safe and enjoyable time for all who attend, the Police Department works closely with Town staff to ensure that each event has appropriate safety and security plans and that the appropriate level of staffing by the Police Department is scheduled for the event.

Hiring Off-Duty Police Officers

The Police Department also works directly with residents and business owners to provide security for businesses and events on private property. Below is a brief outline of the general requirements for hiring off-duty officers:

- The minimum rate of pay is the officer's salary hourly rate as contracted through the Town of Fuquay-Varina.
- The number of officers is determined by the Police Department's Special Event Coordinator and is based on the size and type of the event as approved by the Chief of Police.
- Officers providing security for businesses serving alcohol are required to be posted outside the business (officers cannot serve as "bouncers" for the business).
- The business or event must be located inside the Town of Fuquay-Varina limits.
- The Town must be paid in a timely fashion as stated in the contract.
- Residents and/or business owners must complete and sign a contract for the officer's services through the Town of Fuquay-Varina.
- Other limitations on services may apply depending on the request.
- Officers do not enforce rules of a business or property owner, only law.
- Requests may require street closures as well as other permits.
